Business Administration

Innovative

Innovation is critical to business development and to maintaining competitive relevance

Relevant

The development of individual Skills relevant to today's work place demands are essential to individual and organizational success.

Leading

Leadership is an essential managerial function. Leaders are integral to success in a rapidly changing workplace and business environment

Professional

Business professionals exhibit a desire for continuous self-improvement and a commitment to excellence.

About

A demand for professionals with a business administration degree and an understanding of core business concepts is expected to increase. Individuals interested in managing a business, exploring an entrepreneurial vision, and/or completing the first two years towards a four year degree are encouraged to apply for the Associate of Arts in Business Administration.
