

North Dakota Space Grant Consortium Scholarship Program

Goals:

- To identify, recruit, and retain students in science, technology, engineering, and mathematics
- To encourage women and underrepresented students to enter these fields of study
- To increase NASA activities and awareness in North Dakota

Eligibility:

Applicants must be citizens of the United States who are enrolled in an undergraduate program at a NDSGC Affiliate school other than the University of North Dakota and North Dakota State University. The degree program should be in or related to the areas of science, technology, engineering, or mathematics.

Description of Undergraduate Scholarships:

Undergraduate scholarships will be awarded each school year and are merit based. The Office of Financial Aid and STEM departments at each college will determine the number of scholarships awarded and the due date for applications for each school year. Scholarship awards are limited to \$2,500 per student. Students at UND and NDSU are not eligible for these scholarships.

Primary selection criteria are:

- 1) Academic excellence (good academic standing is required)
- 2) Relevance of the student's discipline and interests to science, technology, engineering, and mathematics.

Application Procedure:

Applicants should submit the following to their respective Office of Financial Aid:

- 1) Completed application form; found below and available at NDSGC Affiliate Schools' Office of Financial Aid or online at: <https://ndspacegrant.und.edu/college-students/scholarships/undergraduate.html>
- 2) Letter of recommendation from at least one faculty member.

Submit completed application and letter of recommendation to the CCCC Financial Aid Office

Deadline to apply: FEBRUARY 7, 2025

For additional information regarding the North Dakota Space Grant Consortium Scholarship Program, contact NDSGC Associate Director Tori McIntosh (tori.mcintosh@und.edu)
