Liberal Arts

Knowledge

A liberal arts education provides the knowledge skills necessary for a rapidly changing world.

Confidence

Knowledge builds confidence. Confidence is a key to success in the workplace and in private life.

Employable

Knowledge and confidence are essential to all employment opportunities.

Achievement

Knowledge, confidence and career success are all features of personal achievement.

About

The Associate of Arts (AA) in Liberal Arts provides a broad educational foundation in social sciences, humanities, mathematics, and the sciences. Education, teaching, public administration, political science, and business are a few of many opportunities open to Liberal Arts majors.
