Dual Credit / Early Entry Agreement Form

This agreement is intended to ensure that the parent(s) or guardian(s) of high school students enrolling in Cankdeska Cikana Community College's college courses fully understand the costs associated with these courses.

A signed copy of this agreement is required for registration each semester for each high school student enrolling in college credit courses from Cankdeska Cikana Community College.

Please carefully read the information below and sign the agreement indicating you have read and understand the information. If you have questions about this agreement, please contact the CCCC Admissions Director at 701-766-1342.

I understand that I am incurring a legal obligation to pay all charges assessed to my child's Cankdeska Cikana Community College student account. I assume full responsibility for charges if my child does not complete the course successfully.

CCCC will waive the tuition cost for up to 6 credits per semester, upon successful completion of the course with a "C" or better. The student will be responsible for the cost of books, fees, and any additional credits. This is also subject to change without notice.

Students must meet CCCC Satisfactory Academic Progress in order to enroll the following semester.

I acknowledge that non-attendance or non-participation by my child does not relieve me of financial responsibility for the courses in which my child is enrolled. My child must contact his/her principal or counselor to initiate withdrawal from Cankdeska Cikana Community College.
